

Coaches,

I'm happy to bring you the results of the Coach Rep Election to the AD BoD and Coach of the Year Voting.

This year, for the first time, both of these positions were the direct result of votes by the Adirondack Coaches.

The 2020-2022 Coach Representative to the Adirondack Board of Directors is: **Coach Jerry Adams (SCHE)**

Jerry's term begins immediately, replacing Jenn Dixon who is our Outgoing Coach Rep. Congrats, Jerry!

The 2020 Adirondack Swimming Coach of the Year is: **Coach Josh Wolin (ALBS)**

Congrats Josh and very well deserved - a great recognition of the work you do by your peers. I'm very disappointed that I won't get to see this award presented live. This award comes with a \$250 stipend from the Board that you can use for any training or educational programs that you wish.

I'd also like to let you know that **Coach Rob Macleod (USAM)** has accepted a position on the Adirondack Swimming Governance Committee - subject to approval by the House of Delegates in May. Rob will be the 3-year representative to the GC and will help with nominations to the Board; overseeing finances, programs, and compliance to the bylaws; and serving as a sounding board for the General Chair. Congratulations, and thanks Rob.

This past week has been unprecedented in the history of Adirondack Swimming. Let's hope all of this blows over quickly and painlessly, and we can quickly get back to what we all do best - "Moving mountains, one stroke at a time".
