

## High School Swimmers:

- Are you interested in swimming at the Collegiate Level?
- Did you know that there are over 1,000 college swimming programs in the United States?
- Each year, thousands of swimmers across the country end their swimming careers to prepare for college, believing that their swimming accomplishments are “not good enough” to swim at the collegiate level.

**THIS IS SIMPLY NOT  
THE CASE!**

Please visit our web site: <http://www.ag2cs.com>  
For valuable information on the recruiting process, National &  
Conference Championship results, and more!

- With 5 different levels of College competition (*NCAA Division I, II, and III; NAIA, and National Junior College*), the chances are very good that there is a program that will enable you to get a great education, and continue your swimming as a **COLLEGE ATHLETE!**
- You don't have to be a *Junior or Senior National Qualifier* to swim in college, just have the desire and academic qualifications to realize your dream of swimming in college.
- If you want to find a program that would allow you to continue your swimming, visit AG2CS.com and complete the Athlete Profile. Chances are, there is a program that is out there for you!
- As we contract with College Coaches, Age Group swimmers are NEVER charged for our service.
