Check in Rules:

It is the responsibility of each swimmer to report to the seeding area at the time events are called. Meet marshals will be available to assist the younger children to their proper lanes in the morning session.

Warm-Ups:

Because of the large number of injuries occurring across the country during warm-ups, USA Swimming allows no diving into the pool during the warm-up period except in the designated sprint lanes. We ask that you inform your swimmers of this rule and ask them to fully cooperate with the club officials and marshals in charge of the area.
A warm up schedule will be provided to each club at least one week before the meet date.

Swimming Events:

All events will be swum as timed finals. Please submit the competition or trial times for seeding. All events will be pre-seeded, slowest to fastest in order of entry time.

Timers:

Clubs will be required to provide Timers for the swim meet. The organizing team will make timing assignments. The lanes assignments will be posted outside the official's room and throughout the meet facility. A copy will be displayed in the program. Please report to the chief timer on deck 15 minutes prior to your timing assignments.

Meet Policy:

Use of Audio or Visual Recording Devices, Including a Cell Phone, is not permitted in changing areas, rest rooms or locker rooms.
Except where venue facilities require otherwise, changing into or out of swimsuits other than in locker rooms or other designated areas is not appropriate and is strongly discouraged.
All USA Swimming Registered Officials and Coaches are required to display USA Swimming Credentials (USA Swimming Membership Card) while on deck.

Services:

A variety of lunch and snack items will be available in the "Café". No food or drink will be allowed in the pool, locker rooms, or anywhere outside of the designated area. *GLASS* containers of any kind are *NOT* permitted in the pool or spectator areas. This policy will be strictly enforced. Smoking is *NOT* permitted in the facility.

Officials:

There will be an official's meeting conducted promptly 30 minutes before each session. Attendance is **MANDATORY** to work the meet. Please sign up in official's room before the start of officials meeting.

The organizing club has a number of United States certified officials assigned to the meet. Many more officials are needed than can be provided by the Southern Saratoga YMCA Barracudas. Therefore, all participating teams are requested to provide the services of parent volunteers who are USA and YMCA Swimming certified officials. Prospective names should be submitted with team entries. An officials' meeting will be conducted prior to the start of each session. Officials are to report to the designated officials room and sign-in upon their arrival at the facility. Proper official attire is required.

Supervision:

A "Swimmer's Rest Area" will be provided in the lobby area. Parents and coaches are expected to ensure that swimmers behave in an orderly manner, clean their area, and dispose of all trash. Any swimmer found in an unauthorized area will be scratched from his/her events and asked to immediately leave the facility and premises. No Exceptions! Each team is responsible for supervising its members. No one will be allowed on the pool deck except meet officials, timers, coaches, marshalls and swimmers.
