

This form is used for the request for times from Observed Meets in Adirondack Swimming

High School Teams Use this form to provide names, birthdates and ID's of those REGISTERED USA Swimming Member swimmers who are participating in a meet being OBSERVED in AD for USA Swimming Times.

USA Swimming SWIMS System Matches EXACTLY on a Swimmers FULL LEGAL NAME plus Date of Birth and then does an ID check to confirm the swimmer, before loading the time.

If you use nicknames or do not include middle initial (if you have one)

SWIMS WILL NOT MATCH YOU AND YOUR TIMES WILL NOT LOAD.

Swimmers MUST be USA Swimming Registered ON THE DATE(S) OF THE OBSERVED MEET.

**Note: USA Swimming updated to all NEW ID numbers effective September 1, 2022
ALL Old ID's are Invalid ... be sure to include the swimmer's NEW USA Swimming ID.**

ALL REQUESTS MUST BE WRITTEN (on form) AND EITHER

1. FOR BLANKET OBSERVATIONS (entire meet Observed)

SUBMITTED TO THE MEET DIRECTOR BEFORE THE END OF THE MEET

2. FOR SPECIFIC SWIMS OBSERVED ONLY

SUBMITTED TO THE OBSERVING OFFICIALS BEFORE THE SWIM TAKES PLACE

NO AFTER-THE-FACT REQUESTS WILL BE HONORED.

Legal USA Swimming Times will be loaded to SWIMS by the LSC Sanction/Times Chair.

In OBSERVED Meets, Relay Times and Legal Splits are NOT Automatically Loaded.

All 4 members of a relay team must be registered to the same USA Swimming Club in order to have the relay time loaded and splits are not loaded because USA Swimming does not want unnecessary times loaded to SWIMS.

If a swimmer achieves a BEST Time in a Legal Split, the Sanction/Times Chair Must be notified and these times will be individually loaded.

All Result Times, Including Legal Splits MUST be included in the official Meet Manager File from the meet.
